Deanna,  
 I like real airtight tin-pan  
 with you <sup>the</sup> <sup>is</sup> open and  
 hope to have mine here next  
 year. All it wants here  
 of me and your loving kisses.  
 We wouldn't pass this year  
 there you see  
 I say I'm

HOPE YOU HAVE A BIG  
HIT RECORD THIS YEAR GLEN.  
I'LL BE THE FIRST TO BUY IT.  
WHAT HAPPEN TO YOU. IT SEEMED  
YOU WENT OUT OF CIRCULATION  
FOR 40 YEARS. I TELL YOU. YOU  
SURE HOLD YOU AGE GOOD. YOU  
DON'T LOOK A DAY OVER 50.  
SEE YOU LATER AND HOPE YOU  
PASS HISTORY CLASS.

Oakton is a puzzle composed of 1800 pieces. Some pieces of the puzzle are larger than others. But it takes every piece, regardless of color, shape or size, to make the whole picture of Oakton. This year's Paragon tries to let you see exactly what piece of the puzzle you are.

September 4, 1973 started the school year. Bus loads of underclassmen pulled up to the curb starting the new school year. The familiar squeals of car wheels echoed the cry of the returning Seniors.

No sooner had school started than the students found themselves wrapped up in Homecoming. The sixth period pep rally proved to be a show for everyone with class competition running high. The shouting, cheering and enthusiasm were fantastic, unequalled by any past rally.

An all-new Student Government started early, planning the following activities for the school. Oakton had its first Folk Festival which was truly enjoyed by all. The club assembly presentation put everyone in stitches. Clubs elected presidents and began drives for club membership. The school got some color into its life — burgundy and gold.

Homework kept the week nights busy and left students and faculty alike to look forward to Friday's game. After the game the Oakton crowd swarmed to various parties or Farrell's Ice Cream Parlor. Winter sank in and everyone was on the watch for the first sign of a snow day. Drama's production, *Once Upon A Mattress*, served as a nice refresher in the monotonous life of the student. The basketball team kept the school on its toes. Everyone needed a rest from school life, especially the students. The year was in full swing.

Spring finally came around and spring fever hit both faculty and students. Underclassmen got the itch for school to end while Seniors anticipated new beginning. Cafeteria lunches lost business as daring Seniors went to McDonald's, fearful of Mr. Green's eyes on the return trip.

Finally June 8 rolled around. Oakton lost 418 students. The day of graduation arrived and Wolf Trap will never be the same. The popular class of 1974 left Oakton, removing a large portion of the puzzle. Each Senior was to find himself in a new puzzle.

June 16 came with mixed emotions. Summer had come and the lazy days were soon to begin. All would be returning except the Seniors. The puzzle of Oakton would fall apart and lose its meaning until next year.

hww.  
 It's been  
 nice this  
 year, I'm sorry  
 I can't think of  
 anything more original.  
 TAKE CARE Always  
 Jennie Murphy

Everyone has a part to play. To each individual there is a part to be played at Oakton. It doesn't matter if you're not a jock who stands around the elevator or number one in your class rank. What does matter is the part that you do play. No matter how small or large it is, it is important to your life during your four year stay at Oakton. Make your piece count. Why should you sit back and not involve yourself in some activity? Take everything that comes your way and enjoy it. Oakton can only offer what you give to it.

25- You're a  
 Ben  
 10/10/77

You can never really hear  
 afternoon announcements.  
 People are too noisy.  
 When you can,  
 Sometimes you listen,  
 and you wish you hadn't.  
 Your club's meeting today.  
 Well you're hungry.  
 You want to go home.  
 Nothing is ever accomplished  
 anyway.  
 You complain, but you go.  
 And then you're sort of glad.  
 You see people  
 you haven't talked to for a while,  
 they've got complaints to share,  
 even if you don't want to listen.  
 Eventually things get down to  
 business.  
 You talk about making money.  
 Then you talk about  
 spending what you don't have.  
 Big plans are made.  
 You know these things won't happen  
 but the laughing's nice.  
 Everyone gets excited and talks at  
 once,  
 listening only to himself.  
 People exaggerate and enjoy it.  
 They enjoy showing off.  
 You enjoy being part of it.  
 You do a little fibbing yourself.  
 You're still hungry,  
 yet you are glad that you came.

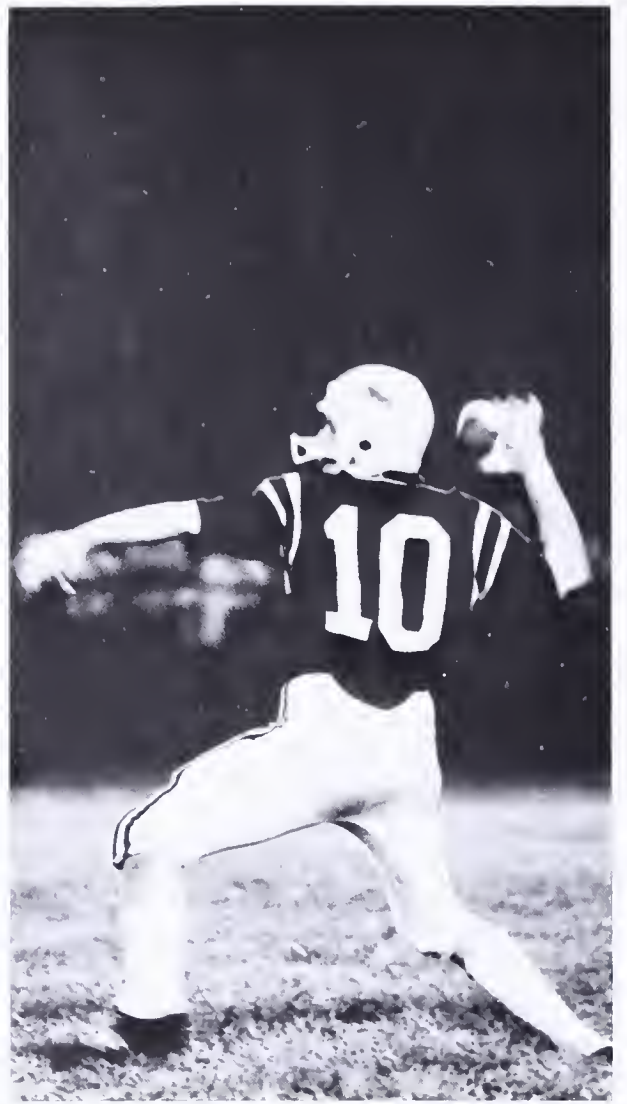

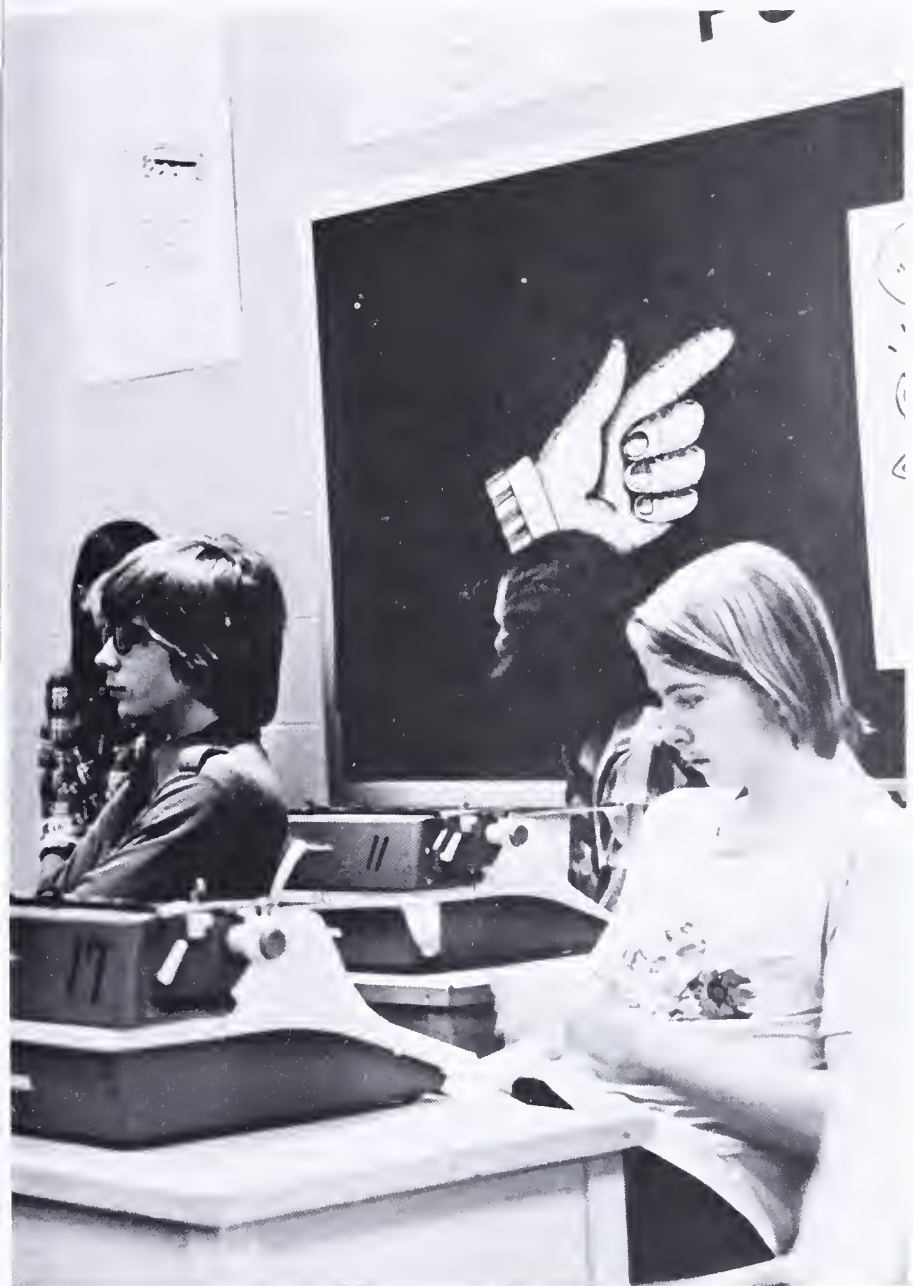

Well Lynn  
We made it this  
year as juniors. Especially  
in Homeroom with Hall (and Mike).  
Sorry I never could drive to school the  
days you had to work, or find a ride to work.  
I sure wish I could be here next year and  
see you all as Seniors. Take it easy over  
the summer and good luck in the  
coming years. See ya around.  
(Gary)

Complaining is easy. School isn't. So why go to school? The reason is people. One of the best things about school is people. People you'd never meet otherwise. Some of the best things you do are with people. People are nice to have around. They can make you laugh, or when you make them laugh, that's always nice. All of you are a part of your friends. All of you are a part of this school. Complain if you want. Go to school if you want. Both are easy if you know how.

# Seniors Boost School Spirit

Pres. Ed Culvyhouse, V. Pres. Keith Allman, Sec. Lori Williams, Treas. Janet Petty.

**Cabinet** . . . Charlie Adams, Debbie Blossom, Daria Borsa, Pam Carter, Cass Cejka, Karen Conlon, Debbie Crump, Bobby Gaspard, Al Harlow, Fred Harmon, Joel Hendlemen, Becky Horne, Anne Lippke, Tom Matacia, Sean McDonald, Rosie Nguyen, Joe Parlas, Ann Ransdal, Larry Wong.

The 1973-1974 Senior class was the perfect image of the upperclassmen. Being a very demanding group, the Seniors paved the way to a surprisingly accomplished year. The class' long time reputation of being a do-nothing class was destroyed by Ed Culvyhouse's efforts to get the class of '74 off their posteriors.

The Seniors had their work cut out for them as soon as the year started. A research paper was thrown upon every Senior. Leave it to a Senior to write a research paper the night before it's due. S.A.T.'s came again for Seniors on November 3. The Seniors began to fill out college applications and started counting up their extra activities to fill the space provided on the college form. The worst part of the Senior year was waiting to see where their future lay.

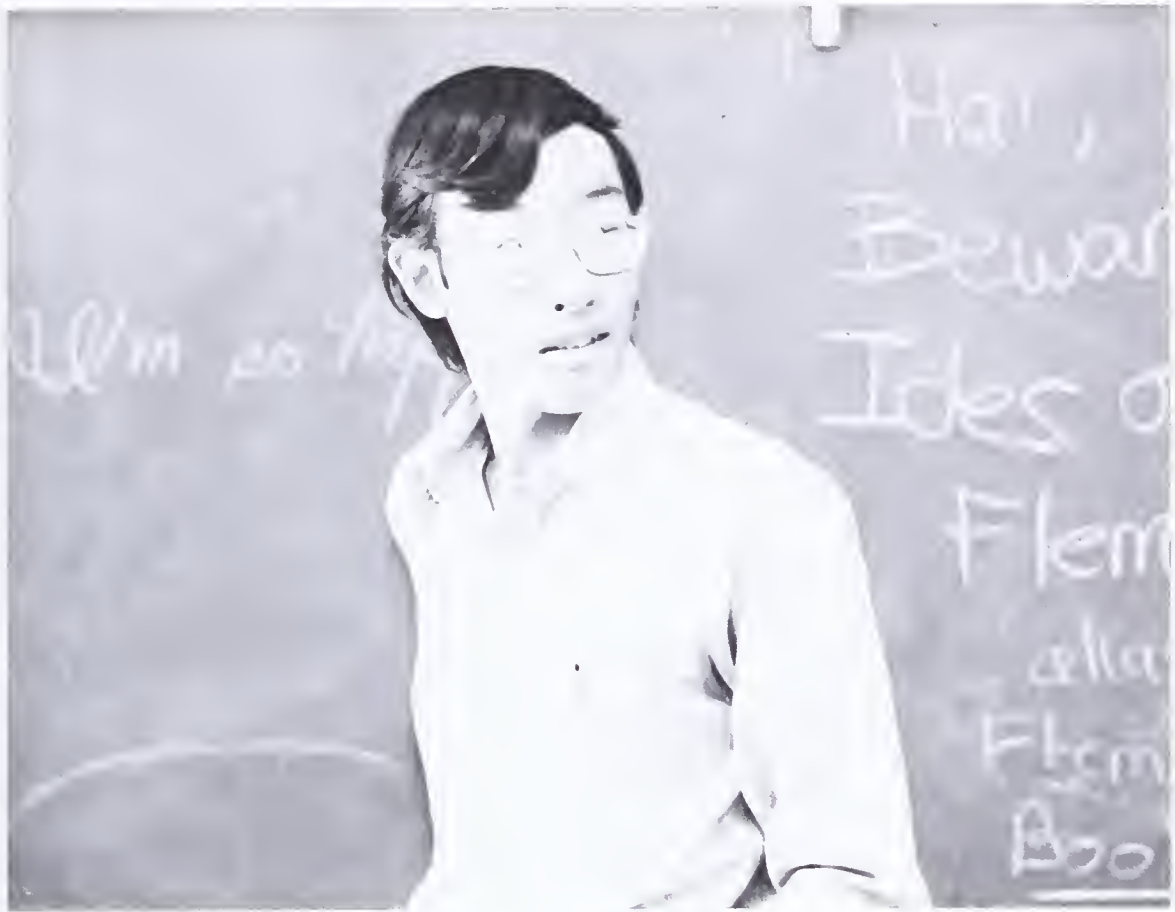

The class' first demonstration of its hidden power was displayed in the issue concerning the Senior lounge. During the first few days of school the lounge was locked due to the lack of furniture. Several days later the lounge was opened and was full of donated furniture. Hazel and Dick Van Dyke were morning favorites for Seniors. Only a Senior could put up with a broken T.V. The lounge was Senior territory.

The Seniors won first place in the Homecoming float contest. They also had their own cheering section at games and pep rallies. Seniors had a little trouble with trash pick up, but can you blame them? Finally Senior skip day did arrive and the class of '74 did it up in style.

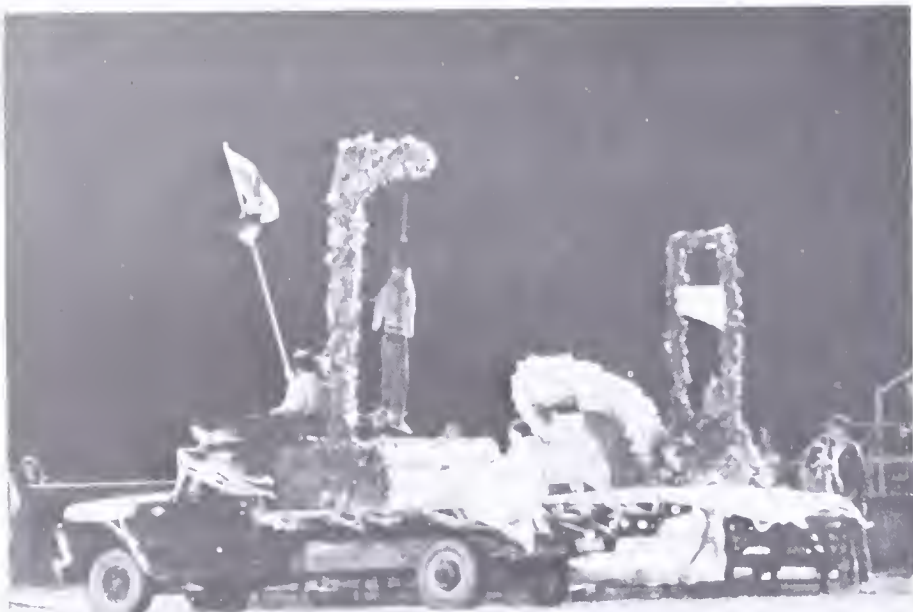

On June 8 the class of nineteen hundred and seventy-four graduated. It was a class that grew together and will always carry memories of Oakton.

This article appeared in Block VII early in the year. "School spirit is a fine thing, except I think that it is going too far. In this school, spirit is leading to a class prejudice. Everybody looks down on the freshmen, and the seniors think that they are almighty God. When the call is given to the seniors to help clean up the field, how many show up? So let's end this class prejudice and not be the classes of '74, '75, '76, and '77. Let's be students of Oakton High School." We were all freshmen at one time.

# UNDERCLASSMEN

The underclassmen make up a large part of Oakton. When combined they outnumber the Senior class four to one. With those odds it is not surprising that this year's Underclassmen drew quite a bit of attention to themselves at pep rallies, games, and assemblies. They voiced constant class spirit, not only to the Seniors, but to the other classes. The Juniors, Sophomores, and Freshmen, are single units. Each having certain characteristics. Yet, if you were to put them together, they could push the Senior piece right out of the puzzle.

I can't write  
much cuz there isn't  
time. I just want  
to say that you're one of the  
cutest & sweetest gals I've ever met.  
I wish we could be better friends -  
but let's try harder next year! You  
shouldn't have chickered out of cheerleading,  
you would have made it! anyways, have  
a good summer & call me sometime - seriously - 281-9683.  
I'd love to do something some time so call.  
Be good & I'll see you soon.  
God bless you,

## Juniors Anticipate Senior Year

The Junior class elections were held late this year, making it a little hard for the Juniors to make any big steps toward raising money for the prom. After they managed to produce a great float for the Homecoming float competition, they began to center themselves towards making money. They were rescued by the Oakton Club which graciously allowed them to co-sponsor the Harlem Diplomat game. With these funds, and money gained by the sale of Junior class buttons, the class of 1975 finally had enough money to put on a truly memorable prom.

Juniors also had to contend with Saturday morning S.A.T.'s and P.S.A.T.'s. The choosing of ring colors kept the Juniors busy until finally the day arrived and the Juniors celebrated their first day as a Senior at the Ring Breakfast. As the summer drew nearer, the Juniors dreaded taking exams. Their explosive school spirit had long since gone. They only waited for June 8th — the day when they would finally be Seniors!

# Sophomores '76

President . . . Bill Edmondson, V. Pres . . . Pat McGibbon, Sec . . . Anya Speilberg, Treas . . . Glenn Maravetz.

Under the capable leadership of Bill Edmondson and a hard working class council, the class of 1976 accomplished a great deal. The year started off early for the Sophomores as they rallied their forces for the Homecoming float competition.

The class played a key role in getting the lobby, front office, and doors painted burgundy and gold. They have plans for future modifications and beautification projects at Oakton.

Successful fund raising activities and profits from the cotton candy machine earned quite a large sum of money for the class — something that no other class seemed to accomplish.

Future plans include signs for the boys' gym and vending machines for the cafeteria. This summer they will jointly run the Oakton Carnival at the Oakton Center with the Booster Club and the P.T.A. This carnival is expected to gross \$18,000.

Class spirit and organization can be the Sophomores' claim to fame this year. They proved to be a very competitive class and have to be commended for their concern with Oakton.

# Freshmen '77

## Freshmen Speak Out Against Seniors

This year's Freshman class rallied its forces to beat the underclassmen blues. The Frosh showed unbelievable spirit during pep rallies and even formed their own cheering section at the football games. Trying to raise money is always a problem for the freshmen. This year the class was able to earn a small sum of money that will be an asset toward next year's funds. Probably the greatest thing that the Freshmen accomplished was getting to know one another. The class was very large, but it seemed to possess a closeness that even Seniors noticed. What was even more surprising was that the Freshmen spoke out against Senior seniority. Many articles appeared in the Block containing complaints of Senior hazing during the first few weeks of school. One can only guess that the class of 1977 will haze their freshmen class to no end.

Sophomore Class Float

Trish Miller: Homecoming Queen

Gutter Club

The yearbook staff apologizes to the Senior class for not getting a color picture of their winning float. A black and white picture can be seen in the Senior section.

Homecoming arrived on October 5 and 6 for Oakton students and alumni. An enthusiastic pep rally on the afternoon of October 5 was a rousing success, and served to set the tone for an entire weekend of traditional festivities. The Homecoming weekend was further enhanced when the Cougars won the football game against Yorktown 12-7.

Halftime activities included the parading of the class and club floats. The seniors presented the winning class float. It portrayed a casket, gallows, and guillotine, with Yorktown symbolically being hanged. The senior class received \$15 prize money. The winning club float was from the Environmental Action Club. Following the parade of floats was the Homecoming Court. Freshman princess was Pam Tulley and Carla Besosa was the sophomore princess. Junior princesses were Karen Wolfe, Claire Schultz, and Lisa Rentschler.

An exciting event was the presentation of the five senior princesses, one of whom was to be crowned queen within seconds. Princesses were Daria Borsa, Trish Miller, Janice Wolfe, Patty Maddox, and Lori Williams. Trish Miller, escorted by Bruce Sisk, was crowned Homecoming Queen of Oakton High School.

# Varsity Football Has Rough Season

This year's Varsity Football team faced tough competition throughout the whole season. The record does not do the team justice. The offensive line was hard to stop on a touchdown drive. The defensive line held back some of the most powerful offensive lines in the county. The team always managed the surprise wins. The Globe rated the Cougars in the top ten and followed the team's games in much detail. Coach Edmonson put together a fantastic team which always had good support at the games. The Fairfax game proved to show that the Cougars are a team to be looked at more closely. As always the team was able to come up with a win for Homecoming and this year was no exception with Yorktown losing 7-12. The guys had a hard act to follow after last year's team. They pulled it off in style. This year's team is certainly to be commended.

The J.V. Football team, having a successful season, played with durability and agressiveness against the opposition. Coaches Scott and Martin led the spirited team to one of their better seasons. The well-coached offensive line enabled the Cougars to keep a consistent running attack and the agility of the Cougar defense held their opponents to low scores.

## Freshmen Look Ahead

The freshmen had a rather disappointing season but showed great sportsmanship and perseverance. Quarterback Rusty Powell, a fine player, along with Coach Barry Williams, guided the team on with spirit and fortitude. Although the team's statistics were not the best, the freshmen football team gained valuable experience to serve as a base for Oakton's future teams and proved to be a powerful unit of outstanding players.

As always, the Varsity Cross Country team excelled against their opponents. They suffered only one defeat against T. C. Williams. They possessed some outstanding runners along with some strong supporting members. Football always seems to be in the spotlight, but this team deserves to share it with them. Coach Welker and the team are worthy of Oakton's support.

*J.V. Cross Country*

The J.V. Cross Country team had a fine season this year, losing only to Washington and Lee in dual meet competition. They placed 4th among 32 teams in the Colonial Invitational at Williamsburg, and climaxed their season by defeating all other schools in the Fairfax County meet to become County Champions. They will be a great asset to the Varsity team next year.

The Varsity Hockey team played with enthusiasm and showed great potential. The team possessed outstanding unity on and off the field, which is essential for a successful team. The team was in a constant contest to keep its place in the Northern Virginian standings. Miss Kemp taught the girls how to play a winning game. The skills and experience gained this year should prove beneficial towards the goal of a winning season next year.

# Junior Varsity Hockey

The Junior Varsity Hockey team proved to be a pleasant surprise as the new team put together a good season. The J.V. team is a team in which girls gain the experience and skills needed for Varsity. These girls proved themselves to be more than capable of doing that. They played with determination and found the game of hockey to be enjoyable. Miss Peters gave them the confidence and the guidance they needed in order to succeed.

# *Girls' Tennis*

The Varsity Tennis team continued to try its best, despite tough competition. Although individual talent was abundant, this year's season proved to be disappointing. Lori Wilson, Terri Shannon, and Doreen Aune went to District, using their excellent skills and playing ability. Although tennis is an individual sport, and there is more individual satisfaction than in most sports, the entire team showed determination and sportsmanship. It is quite evident that in the coming years the tennis records of wins will be improved.

## Cougars Look Tough

As always Coach Crupper, one of the finest coaches in the area, put together a team considered to be one of the best by the "Washington Post." The Oakton players showed great skill and experience in all their games. This year was the "close-scoring" year. Losing a close game to Madison, 56-57, Oakton returned the following week to down sixth-ranked Marshall, 57-56. The Marshall-Oakton game proved to be one of the most exciting games in the whole season, with the final shot a total team effort as Chris Sheridan put in the winning basket. The whole team presented tough competition and at Oakton they were always Number One!

## J.V. Gain Experience

The J.V. team gained a lot of experience this season. With Mr. Martin's coaching, they learned many new skills which will help them in their varsity year. The team's record does not do these boys justice. The players were always a threat to the opposing team, as they fought to come up with the big win.

This year's wrestling team had a fantastic season. The performances of these boys gained them respect as members of a very tough team. The team will be losing some great players next year; Mike Bono, Tom Dursee, member of the National Junior Olympics, Dudley Johnson, Garth Johnson, and Pete Weimer-skirch; yet, it will be able to keep up its excellent record with players like Mitch Witt, Don Brady, and freshman Pat McGibbon. These boys don't get the attention they deserve, because of the basketball season. They showed great skill and athletic ability and should be commended.

# Junior Varsity Wrestling

This year's J.V. Wrestling team will be a fine asset to next year's Varsity team. The team possessed some fine wrestlers whose performances gained the respect and support of the students and parents.

Track is usually overshadowed by football, basketball, and baseball and the track athletes don't receive the recognition they deserve.

# Sports Review

We apologize to the members on the Varsity Cross Country Team and list their correct names here:

Doug Crowley  
Jack Daly  
Larry Lauffer  
Barry Mountain

Dion O'Mara  
Dan Ormrod  
Jim Steere

Unfortunately, due to the early publication date of the yearbook, the outcome of the spring sports seasons can not be listed; yet, it is expected that these teams will keep up Oakton's winning tradition.

PARAGON wishes to congratulate all players and coaches on a fine year. Special recognition also goes to basketball and wrestling. Basketball provided some close winning games, displaying superior talent and an impressive season. Wrestling gets a big salute, having had an outstanding winning record.

Oakton felt a real sense of pride this year. These teams accounted for that pride. Sports, at Oakton, have just begun their show of massive power in competition.

# ACTIVITIES

EARLY  
MORNING

# Homecoming Dance

Hai Tsao crowns Homecoming Queen Trish Miller.

This year's Homecoming dance proved to be very successful. Many graduates of the class of 1973 returned to attend the game and dance. Everyone was full of high spirits, following a victory over Yorktown the night before. The band, Sessions, was fantastic as it played popular tunes and a couple of oldies. The freshman princess was Pam Talley. From the sophomore class came Carla Besosa. The junior princesses were Lisa Rentschler, Karen Wolf, and Claire Shultz. The senior court consisted of Janice Wolfe, Laurie Williams, Daria Borsa, Pattie Maddox. This year's Homecoming queen was Trish Miller.

# *Energy Crisis*

## *Subject Of Discussion*

The year of 1973-1974 presented the students at Oakton High School with some startlingly rough times. The energy crisis came as a terrific blow to Oakton. Seniors were understandably upset over the cancellation of the Christmas dance, a sure fund raiser for graduation. Student activities were cancelled during the Christmas vacation, leaving many Oakton students out in the cold. Faculty and students alike had to get used to 68 degrees. Sweaters and coats were common sights during class. In the early mornings Oakton was like an icebox. The only good thing that the energy crisis brought was an extended Christmas vacation. Talk ran through the school of the possibility that the school week would only be four days. Even the administration was hoping for a four-day week.

On November 28th, Brad Shipp and Dr. Davis came to Oakton. In an open forum the students could talk openly with both Brad and Dr. Davis as well as with Oakton's own S.A.C. council. It appeared that the assembly was boring to the student body. Talking among the audience drowned out the council's questions and few gained anything from this assembly. Many of the students were upset over the inconsiderateness that the audience showed. Some students were generally concerned with such topics as pass-fail system, vending machines, and the energy crisis.

Quentin Fleming, Bill Edmondson, Brad Shipp, Hai Tsao, Dr. Davis, Win Cuthbert, Sheldon Fleming

The students of Oakton should be concerned with the energy crisis and problems that affect them. The crisis was no false panic. Many of the students suffered due to the lack of buses available to bring them to other schools for games. Oakton certainly experienced a rough time. Yet, Oakton got through the year. The cold of the winter and the heat of the summer came and went. Hopefully the energy crisis will not be in effect next year.

# Folk Festival

The Folk Festival proved to be a night of entertainment. This activity, organized by Rosie Nguyen, Rick Judd, and Cindy Muzidal, provided a number of different acts combined with fine music. The night was highlighted with performances by Rosie Nguyen, Rick Judd and band, Frank Ojeds, Chuck Brady, and a girl named Sam. The Folk Festival proved to be a tremendous success. The Senior class was given all proceeds toward the funding of graduation. Everyone who participated should be commended for an excellent job. It is hoped that the Folk Festival will become a tradition at Oakton.

# Story Theatre

The cast for Story Theatre was made up of ten dedicated people: Robin Burchfield, Jim Eyerly, David French, Yvonne Graetzer, Lynne Kassabian, Karen Kittilstad, Gary Logan, Sammy Molinas, Elizabeth Piper, and Robin Stewart. These ten people portrayed more than one character and had to make quick costume changes. It was a great experience for audience and performers. Story Theatre, a combination of Paul Sills' children stories and fables, presented the cast with unique task of performing without props. After eight weeks of hard work, the cast and crew produced a fantastic show.

# Sadie Hawkins Dance

Maybe Someday!  
LWP

## *Tunnel O' Love And Marryin' Sam*

Sadie Hawkins has always been a popular dance at Oakton and this year was no exception. Sponsored by the Keyettes, the dance included a tunnel of love, Marrying Sam (Mr. Roush and Mr. Komar), a chugging contest and an all-out tug of war. The band, Early Morning, was fantastic and was thoroughly enjoyed by everyone. Blue jeans, pigtails and flannel shirts dotted the cafeteria throughout the night. About 11:30 all the married couples went home.

## *The Harlem Diplomats*

November 29th brought the Harlem Diplomats to Oakton. In an attempt to raise money, the Junior class and the Oakton club sponsored a night full of entertainment. The Diplomats, similar to the Harlem Globetrotters, met the faculty as well as disc jockeys in the gym. Although the faculty was defeated, it provided many laughs for all who attended.

Every now and then you'd hear an announcement about where Campus Life would meet. That night you'd get with all your friends and have some good clean fun. That's what Campus Life tried to show students. You'd do the funniest things at campus life. Like . . .

# Spaghetti Dinner

Oakton's first spaghetti dinner was a surprising success! The dinner was an attempt to raise money for the yearbook and student government. It was enjoyed by both faculty, students, and their families. It is hoped that Oakton will continue the dinner as a future money raiser. At an S.G. Council meeting the students voted to set aside the spaghetti dinner for the sole purpose of raising money for the yearbook. A fund-raising activity for the yearbook is greatly needed and will be a comfort to future yearbook staffs.

# Barefoot In The Park

The Drama department put on another entertaining play with "Barefoot in the Park." The play proved to be a success and was enjoyed by all. The script was full of humor and every actor added to the humorous scenes. "Barefoot in the Park" is about a just-married couple finding that married life is full of surprises.

## *La Tuna*

The Tuna was received so well last year that it returned again for another successful engagement. It presented a wide variety of Spanish songs particularly enjoyed by the Spanish students.

A Tuna is a group of college men from particular universities. At night they walk the streets, serenading girls. The group of men that was here are from the University of Barcelona.

# *Postponed Concert Is Successful*

This year the Choral Department not only put on the most musical performances yet heard at Oakton, but proceeded to increase its reputation through the county and state. The first concert, cancelled because of a sudden snow storm, was held in late January and was an important milestone for all participants. Immediately after this came the All-Regional Chorus, a preliminary, seminar-type of rehearsal and concert by the All-State Chorus. Oakton choral students were among the majority attending All-Regional and then All-State. All-State participants representing Oakton performed in April at Blacksburg (VPI Campus), were: Soprano I — Liz Weihe; Alto I — Joyce Skiba, Joyce McCurdy; Alto II — Alt. Debbie Lloyd; Tenor I — Sam Molinas; Tenor II — Keith Dowell, Robin Stewart; alt. Bass I — Tony Gal; Alt. Bass II — Richard Reyes. Throughout the year, the Chorale performed for the Fairfax Country Club, at Junior High School assemblies, and for the internationally-known "Guild for Infant Survival." In May, it participated in an exchange tour with Bayside Choral Department. Another great musical year came to a close with the pomp and splendor of the Spring Concert.

## *The Band Performs . . .*

The band performed many times throughout the year, gathering large crowds and always providing a night full of entertainment. Mr. Reid and the bands are to be commended for their outstanding work.

# Donkey Basketball

Establishing a new tradition at Oakton, the Oakton Club presented a Donkey Basketball game on March 1. WEEL disk-jockey's, Cheerleaders, Junior-Senior girls, the Fairfax Police, and Oakton Club members participated.

On March 8, S.G. sponsored a Fifties Hop and Fifties Day. The students were urged to come to school dressed in clothes similar to those worn in the 50's. Barry Richards, the "Boss of the Hot Sauce", brought along his records, and he provided the music for the evening. A twisting contest was also held. It was rumored that the highlight of the evening was afterwards because there were supposed to have been a few streakers outside as everyone was leaving.

# *Fifties Dance*

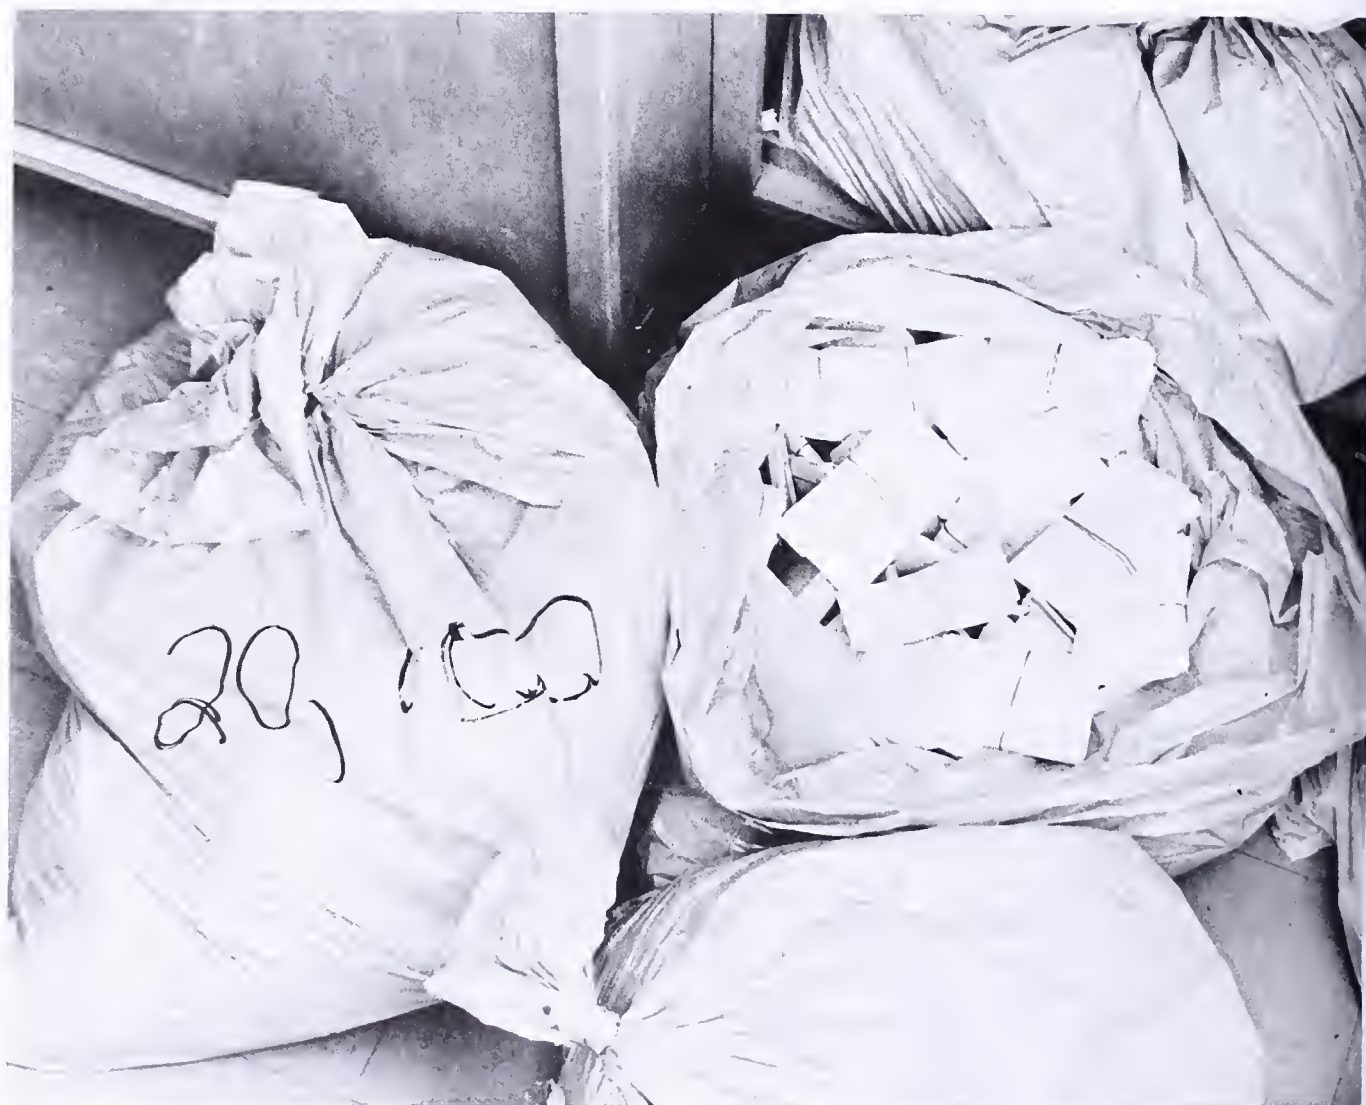

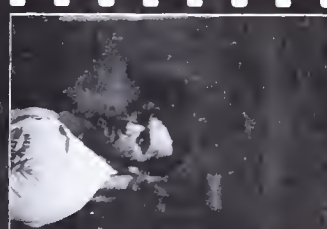

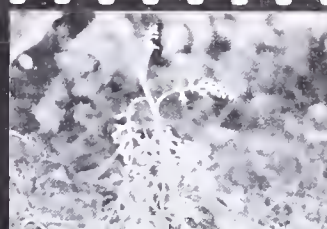

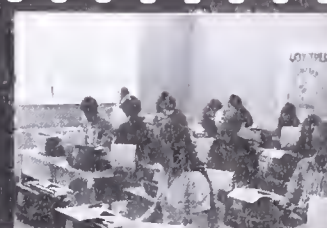

Oakton entered the M & M/Mars contest. To win a free concert, the school had to collect the greatest number of M & M/Mars wrappers or facsimilies.

# Varsity Cheerleaders

Seniors

Anita Tate, Sherri Satterlee, Char Peterson, Co-Capt., Lisa Rentschler, Terri Evans, Carolyn Watson, Nancy Holland, CeCe Nguyen, Ann McGrath, Mary Goggin, Trish Miller, Captain, Carol James.

The Varsity cheerleading squad attended Golden Eagle summer camp at Chowan College in North Carolina. At Chowan they received four different blue ribbons for evaluation in the competition. Oakton's squad was honored with the Regional Golden Eagle Award. This is the highest award that a squad can achieve and Oakton was the only school in the area to win it. These girls did a great job this year, showing excellent form in their cheers, promoting spirit, and participating in school functions. They are certainly to be commended for such a fine year.

This year's PARAGON staff had very little previous experience in producing a yearbook. In spite of this lack, the staff pulled together whenever the going got rough — especially on those occasions when more money was needed to finance special features of the yearbook. Every time you find a special effect, or a spot of color, or a color picture, in this book, you are finding something that cost a lot of extra money. That money was raised through the hard efforts of the PARAGON staff.

How was this done? The staff sold advertising, for the first time in the history of Oakton yearbooks. It joined the Student Government Staff in sponsoring a Spaghetti Dinner. It contacted four hundred parents, asking them to become Yearbook Sponsors. It urged clubs and individual students to pledge financial support to the book.

All in all, it was a big effort — and it paid off. In spite of sky-rocketing publishing costs, our staff held to the line on the price of PARAGON. Do you know of anything else that stayed at the same price during the past twenty-four months?

PARAGON is Oakton High School's largest activity. Nothing else expends as many man- and woman-hours. Look at the picture at the top of this page; it shows the people who gave this time gladly. These people hope you enjoy your book. If you do, come and tell us. If you don't, come and make it better next year! That's the challenge we accepted . . . how about you?

Lynn,  
Well, thanks for all  
of the help in  
Biology I don't think  
I could have passed  
without your help.  
I had a real good  
time talking with  
you and Carla  
about our 'male'  
problems and  
there's always  
a lot of them.  
I'm sorry  
things never  
worked out  
between you  
and — —  
I hope we  
will be in  
some classes  
next year.  
Have a  
fun summer  
and take  
care  
Love  
Laura  
Nangle

. . . The blue sky  
and green grass  
just under you.  
The world's alive  
and bustling  
all around you.

Lynn  
I didn't mind  
you sitting by me  
on the bus because it was  
lots of fun knowing Alan's Big  
sister. I liked helping you  
take samples.

LOVE Russ

Lynn,

I'm writing on this page for a good reason (because is a certain picture - ask me to explain if you don't understand) I'd just like to tell you that although we weren't in any classes together this year, our friendship still means a lot to me. You were a very special friend to me last year & I'm sure I'll never forget our many classes & experiences we shared. I would just like to say that I wish you the best of luck throughout your life & that your dreams & wishes always come true. I hope to see a lot of you this summer.

Much love,

Carolyn

P.S. please don't move this summer - stay around for our year.

**Your life at Oakton is but a small part of life that you will experience. It seems so important now, but in later years you will realize that you came, you learned, you laughed and you gave a piece of yourself to be remembered when you were gone.**

Congratulations

Best Wishes  
to the  
Class of 74

—Oaktonettes

This year's PARAGON team didn't have to depend on foul shots to win first place. They fought to control the 1973 rebound, brought the ball up court, and shooting from half-court sank a perfect shot. Congratulations on a winning yearbook; you're number one in our district!

—NHS

The Varsity Cheerleaders are happy to support OAKTON and its activities.

The German Club would like to thank Mr. Mastbrook and wish the CLASS of 74 Good Luck!

All of the Keyettes would like to express appreciation to Mrs. Alexander and Mrs. Sloan for the great job they have done. Best of luck to the CLASS of 1974.

Wishes of success to the class of 74 and happy, eventful years at Oakton for the freshman class of 1977.

We express pride in the PARAGON and compliment the Editor and her midnight working staff.
